Also

It's totally

There

Her father, who

archeologist,
shamelessly left

Ch.5 - Let's go to the hot spring!

This is turning into a battle against the regulation signs!

It's gotten to the point where I have to just beat them up with my fists!

Recently, there has been more and more of these all over the city!

Chatter chatter

Aw, too bad! You'll have to try again-

I want to go to a world without these signs!

I understand how you feel.

This is awful!

- Third prize (bronze) Gift set
- Fourth prize (blue) 1000 yen worth of stamps
- Fifth prize (purple) Toilet paper

Well, I guess it's the best one out of this list.

One year supply of cup noodles, huh...

...The second prize.

What are you trying to get?

Shii-chan, are you playing the lottery?

Hm.

Here you go, little miss. You only have enough coupons to try once, okay?

The two

standing
behind all

More
importantly,
Seto was...

...Well,
yeah.

If someone
who doesn't
know what
she is saw
that scene,
they'd
probably
faint.

Professor
Juuzou
discreetly
gathered
all of her
parts.

Still,
it'll
probably
take
some
time.

That's for

important
parts are

Again, huh...

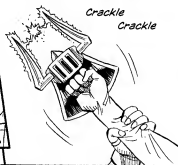

Blumush

But you're too shy to admit it, so you try to hide it by acting like that. Isn't that right?

The truth is you love me best of all.

Stomp
Stomp

This is justified revenge, you know?

Oh, come on, big sis.

コロコロ

Then I was blown to pieces by that huge explosion... I'm just paying you back for that.

I mean, isn't that right? You guys ganged up on me and tied me up...

As I thought, you're not Seto.

Hmph.

...then just be a good girl and surrender.

If you feel bad at all for what you did...

ビビビ

But
above
all...

She's not
the type
to hold
a grudge
or take
revenge!

Seto is a
girl who acts
angry but
forgives you
if you just
treat her to
some ammitsu.

I thought
your manner
of speaking
back in the
classroom
was strange.

Swish

That
girl
is a
genu-
ine...

...Mas-
ochist!

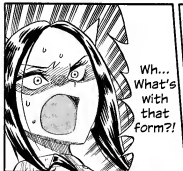

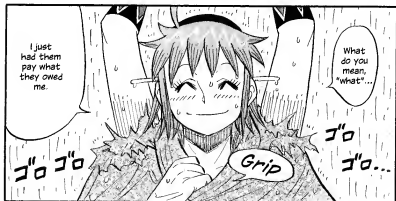

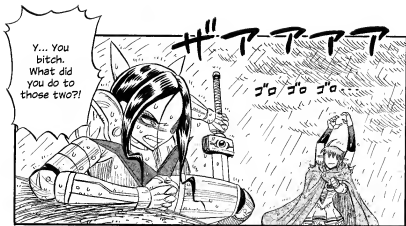

Grace's
arms?!

Wh...?!

Guh!

ドカッ

And
that's...
Shiiko's?!

I died

and was
reborn...

Certainly,
I'm not
the same
Seto you
guys used
to know.

And
then... I
changed
my choice.

Capable of
becoming
a god or
a devil

You...

Could
it be?!

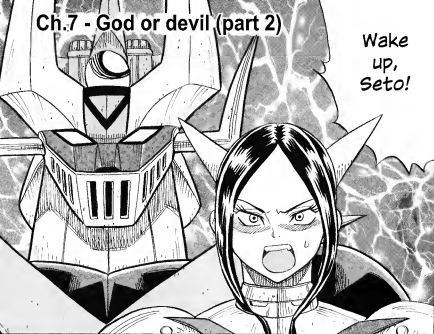

You
became
a devil?!

Ch.7 - God or devil (part 2)

Wake
up,
Seto!

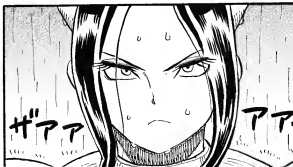

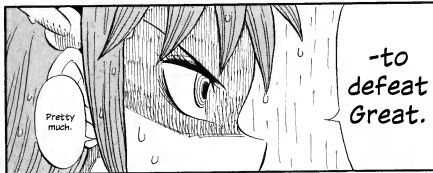

I have
awakened
to the
truth.

Oh, I'm
awake.

Or
rather,

Whoa.

Let's
see you
try it,
then!

Inter-
esting!

That's danger-
ous!

Tch!

Knee
Impulse
Kick!

Grab

What kind of person

own little
sister in

Jeez,
you get
angry
so
quickly.

Pay-

Grip...

Crack

Crumble Crumble

Crash

...big sis
was also
laughing
behind
my back.

...As I
thought
...

Since
when does
Z have
all this
power...?

S...

That's
what
you
thought,
isn't
it?!

"There's
no way
I could
lose
to Z".

...
Seto.

The fact is that after newer robots started to appear, Z was branded as some subpar antique article!

Sure, Z is acknowledged by society as the pioneer super robot. However...

I just couldn't stand it anymore!

Dam and geli?!

Don't say any more than that!

Whoa!

Grrrrr

And then stuff like ***dam and ***geli** came out and just made everything worse...

Yup.

So that's your wish, huh...

カッ

ゴォ ゴォ ゴォ...

I understand
that I have
to blow you
to pieces
once again!

And hope
that you
are reborn
the right
way next
time, Z!

The least
I can do
is take
you down
with my
own hands

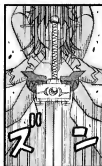

So you
still
think
that
you can
beat me.

Giggle.

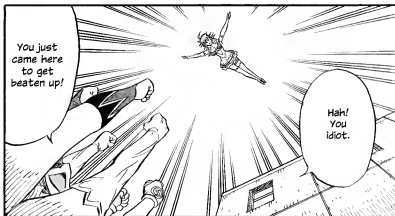

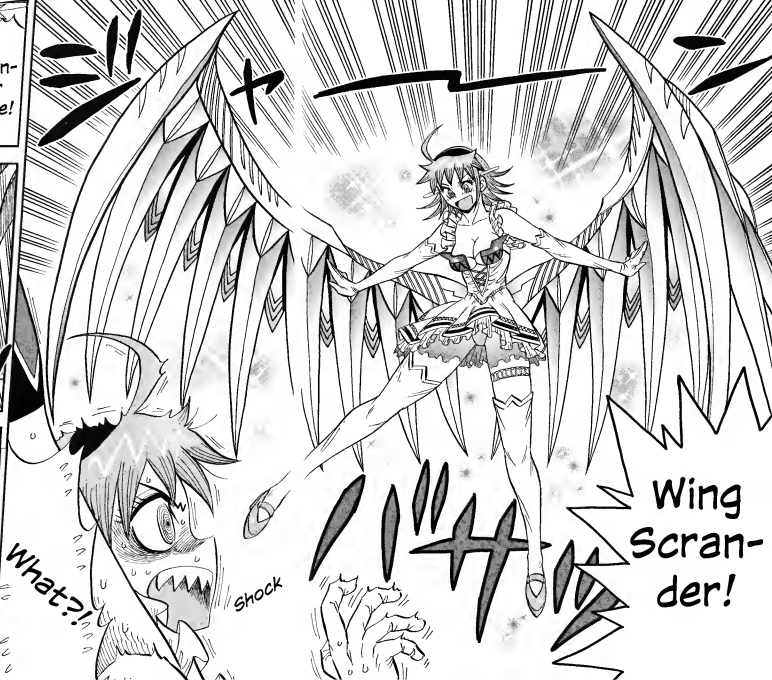

Scrander

Slash

What?!

Shock

Z!

Reveal
your
real

But we still have Grendizer and Jeeg's arms right here...

It can't be helped now that the secret is out.

BONK!

Clearly

It's the power of science.

きんぱり

How does that even work ?!

...
Mach Drills.

Sizzle...

Bzzzt!

I love
you all!

And
also,

And so,
the next
day

Oh,
you're
fine
already?

Since everyone
was in trouble,
I just came back
as soon as I
could, and...

...Not
really,
but...

ends up
like this,
after
all?!

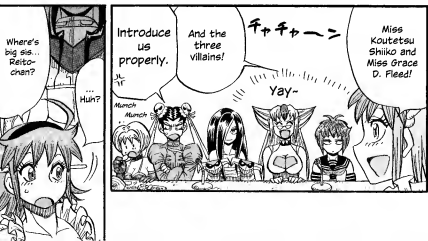

Today is
